TERRAIN AND PERSPECTIVES SHOW – A JOINT SHOW BY NATHAN AND CAROL SACKSCHEWSKY. September 3rd – September 26th.

Reception Saturday September 11th 4-7 pm

Nathan Sackschewsky will be showing his photographs from his experiences and travels. Nathan's ability to capture the movement and emotion in his subject matter may be enhanced by his music career. Nathan Sackschewsky is an accomplished musician, active performer, and educator in the Chicago area. He currently performs viola with the Elmhurst Symphony Orchestra and the Jan Sobieski String Quartet. At Lake Zurich High School, Mr. Sackschewsky teaches the Concert and Symphony Orchestras as well as Guitar, AP Music Theory, and Electronic Music. Along with a Bachelor's degree from Augustana College in Music Education he has a Masters degree in Arts Management from Columbia College in Chicago.

Carol Fink Sackschewsky Artist Statement

Painting is foremost an excuse for me to use color. Color is an expressive and individualist way (yet grounded in reality). The actual painting time is a time spent observing the subject, the subject being as varied as the seasons of the year, landscape, still life, figurative portraits, how light and color interact at a given time and place. I like to become immersed in the idea and the subject of the moment. Watercolor painting is the medium of choice because it is serendipitous, has a nature of spontaneity, accidental happenings that have the potential of uncontrollability adding to the excitement and wonder of the process. Each painting has the innate ability to become an eye catcher, an experience for the painter and hopefully the viewer as the color seems rich and ready to run off the paper.
