Debbie Moretti will be conducting a workshop - Make your own marbled silk scarf

Debbie Moretti brings the ancient art of marbling into the 21st century - wooden trays are filled with “magic” water as acrylic paint is dropped on the top of the surface, and you can use a rake, comb, stylus, or nothing at all to make a unique design. Designs can be strong and bold or traditional and tightly patterned, paired with handpicked colors. The final piece is a true reflection the artist. The bonus is that the process of marbling is almost as fun as it is to create!

Join us for a marbling experience on **Saturday, May 21st, 10:00am – 2:30pm**. You will get the opportunity to make a six-foot silk scarf and watch other participants make their masterpiece. Cost of workshop is \$50.

Mother’s Day is May 8th – buy a spot at the workshop for the mother in your life, or stop by the gallery for a scarf created by the artist.
