# Member's Show

Reception Saturday August 13<sup>th</sup>, 2:00-6:00 pm

## Featured Artist: Roger Shule

“Little images that make big statements might be a good way to describe my matchbook creations. What started out as a concept for a 12”x12” art exhibit at the AFAF Gallery has become an extensive body of work of over 300 “matchbooks”. This has been my focus for the last several years. I found vintage images from various sources and imagined what they would look as matchbook cover art.

This exhibit of larger than life, three dimensional matchbooks is a nostalgic journey of vintage and contemporary images used for advertising services and products. Hope you enjoy the journey with as much fun as I have had making them.” **Roger Shule**
