Photography Exhibit

Reception: Saturday, June 10th, 2:00 - 5:00 pm

Featured Artist: Helmut Rosenberg

As a professional Designer, Helmut had over 25 years of art, design and product development experience. He managed the design of new products for numerous industries throughout his professional career. His interest in art began in first grade, when he won a scholarship to the Chicago Art Institute for the painting of a policeman stopping a car. Helmut was encouraged throughout school by his teachers who gave him various jobs, such as decorating bulletin boards, making posters and displays. In college he majored in Architecture and was inspired by Michelangelo, Leonardo DaVinci, and Frank Lloyd Wright. After four years in Vietnam and some art classes in the Philippines, he returned home and finished college.

While designing toys at Playskool and products for several industries, Helmut took classes in landscape, floral and wildlife oil painting and became a certified instructor for all three areas. This gave him the opportunity to teach painting part time, evenings and weekends. He continues to enjoy being creative and making many friends over the years. Now Helmut is retired and is continuing to fulfill his love of producing art.
