

# March is National Youth Art Month

Dear Parents and Teachers,

March is the designated month for observing youth art across our nation. The Antioch Fine Arts Foundation would like to invite you to display artwork by your children or students in our Antioch Art Center gallery at 896 Main Street in Antioch.

Please refer to the attached prospectus for entering artwork in the exhibit. We encourage participation from children of all ages and abilities. The artwork will be proudly displayed for the month of March.

Thank you for your participation,

Carol Sackschewsky
